

**MDC Workgroup Meeting Minutes
09.11.07**

Members in attendance:

- **Chad Homme – Salida Fire District**
- **Ray Jackson – Fire Warden’s Office**
- **Kevin Wise – Oakdale City Fire Department**
- **Chuck Bergquist – Modesto Fire Department**
- **Alan McFadon – SR911**

I. MDC Update

- a. **No new MDC licenses have been purchased recently.**
- b. **CAD is still on track for early 2009 implementation.**

II. MDC Frame Relay Upgrade.

- a. **Presented information on an upgrade to the Stanislaus County Fire frame relay circuit. To upgrade from 128KB to 256KB frame relay service will raise the cost from \$399 monthly to \$549 monthly.**
- b. **Splitting amongst five agencies, the monthly cost to each agency will increase from \$80 to \$110 per month.**
- c. **Will follow up with Mimi DeSimoni to get approval to move forward and upgrade the agencies within the county.**

III. Discussed the MDC Software.

- a. **New CAD Mobile component is scheduled for implementation as well in early 2009.**
- b. **Preliminary demonstrations by the vendor are very promising, and users are very encouraged about the forthcoming product.**

IV. The next MDC Workgroup meeting will take place at the RFTC in the Library on October 9th at 1:30PM.
