

**MDC Workgroup Meeting Minutes
10.09.07**

Members in attendance:

- **Chad Homme – Salida Fire District**
- **Ray Jackson – Fire Warden’s Office**
- **Kevin Wise – Oakdale City Fire Department**
- **Alan McFadon – SR911**
- **Steve Mayotte – Stanislaus Consolidated Fire**
- **Mike Kraus – Modesto City Fire**

I. MDC Update

- a. **One new MDC is being configured for Chief Wilkinson.**
- b. **No additional license purchase requests at this time.**

II. MDC Frame Relay Upgrade.

- a. **Found Stanislaus County is already paying for 256KB frame relay circuit.**
- b. **Performed testing with Dan Doty and found that the existing frame relay is only running at 40-45KB on the MDC computers that were tested.**
- c. **Working with AT&T Wireless to get these issues resolved.**

III. Discussed the MDC Software.

- a. **Explained that the MDC software development and implementation teams continue working.**
- b. **Reminded agencies that are purchasing MDC antenna’s to be used externally on the apparatus to purchase units that also have built in GPS receivers.**

IV. The next MDC Workgroup meeting will take place at the RFTC in the Library on November 13th at 1:30PM.
