Rehabilitation binder
Hurst tool I.D. guide

Compartment numbers start on the driver's side, front to back, and work their way around the vehicle...

Compartment #1:

Electrical extension cord with twist lock adapter (12 ga.), 100' on reel
Flares – 1 box
Salvage covers (1-canvas, 1-vinyl)
Utility tarp Polyethylene plastic tarps 10'X20' with 4 wood slats (2)
Traffic cones (4)
Blue utility tarp

Lock-Out-Tag out kit
Bottled water – 1 box
Towel

Wheel chocks
Safety triangles, 3, in plastic box
2 ½ gallon water / class B foam extinguisher
Dry chemical, 60 – BC extinguisher

Compartment #2:***Tool Compartment:***

Sledgehammer – 8 lbs. (3)
Halligan bar
Pick-head axe
Flat head axe
Wrecking bar w/claw 36"(2)
Broom handle
Panther Survivair SCBA's (4)
Round point shovel
Square shovel
Bolt cutters, 36"
Pry bar, pinch point, 60"(4)
Broom Head

Cutters Edge Chainsaw w/bullet chain and chainsaw wrench (*pre-mix fuel only*)
1 gallon fuel can – Premix, 50:1
Bar and chain oil
2-cycle engine oil
Extra carbide chain for cutters edge saw
Electric smoke ejector

Compartment over wheel wells:

Survivair SCBA, spare – 4500 psi (2)

Compartment #3:

Medical Compartment:

Cloth blankets (3)
Emergency blanket
Spare oxygen bottle – 2000 psi
K.E.D
Pediatric immobilization boards (1)
Splinting kit
Thermal blanket

Vionex
Medical gloves (*1 box*)
Trauma gloves (*1 box*)
D-Ring straps (9)
N95 particulate respirator mask (*1 box*)
Emergency Decon. Pouch kits (3)
Duct tape
Fire Line tape
Safety glasses (*2 pr*)
55 gal. Garbage bags
Hydrogen peroxide
Cardboard splints
Ladder splints
Clear Plastic Container (*Pub Ed. Toys*)
Plastic fire helmets
Stuffed animals
Toy cars

Clear Plastic Container (C- Spine Equipment):

C-Collars: pediatric (1) and adjustable (3)
STA Blok head immobilizer – head bed (3)
Spider straps (3)

Medical Bag:

See inventory card inside of bag for itemized list of contents

Compartment #4:***Cascade Compartment:***

Electrical box with circuit breakers
120 volt twist lock receptacle
Portable ground lights – 500 watt (2)
Hand lights, box type (2)
Controls for Will-Burt night scan light tower
Sidewinder X2 cascade system
Electrical extension cord with twist lock adapter (14 ga.), 50' (3)
Electrical extension cord with twist lock adapter (12 ga.), 50'

Electrical adapters:

Household to twist lock (2)
Twist lock to household (2)
Twist lock male to a 4 plug twist lock female box (2)

Rear of the Rescue:***Rescue tool compartment***

Hydraulic hose, 100' on an electric hose reel (*1-blue, 1- orange*)
Hurst JL-27 Spreaders*
Hurst X-Tractor Cutters*
Hurst Omni II Combination Tool*
Hurst JL-60c (large ram)*
Hurst JL-30c (medium ram)*
Hurst JL-20c (small ram)*
Hydraulic hose whips 16' (*1-blue, 1-orange*)
Porta-powers, hydraulic pumps (2)
Porta-power attachments
Chain for Hurst equipment (*2-6' ft. large chain / 2- 6' small chain*)
Hurst “tip to chain hook” attachment with pins
1 - Clevis

Yellow Box:

Hurst tool attachments with pins

*SEE HURST TOOL IDENTIFICATION GUIDE FOR SPECIFICATIONS (Located in metal clipboard)

Back pack cutting torch with spare acetylene bottle
Survivair salvage master wet / dry vacuum.

Compartment #5:

Electrical extension cord with twist lock adapter (12 ga.) 100' on reel
Funnel
Patch mix / leak stop with coffee can and two bottles of water
Canvas tarp for tool storage
Windshield kit (seatbelt cutter, knives (2), window punch, mastic window cutter, windshield saw
2-gallon fuel can – gasoline only
Milwaukee Super Sawzall with spare blades (110volt)
Come-a-longs (2) and 4 handles with 5 ft. and 12 ft. chain (2)
Bottle jacks with handles, 1 ton (2)
High lift jacks with handles, 7,000 lbs. Capacity (2)
Hurst hydraulic power unit – Honda 5.0 OHV, (gasoline only)
Hurst hydraulic power unit – Honda 4.0 OHV, (gasoline only)

Compartment over the wheel wells:

Survivair SCBA, spare – 4500 phi (4)

Compartment #6:***Cribbing Compartment:***

Stokes basket
6' step ladder
Backboards (4)

Cribbing:

Step chocks – plastic (4)
2x4's, 4x4's, plastic blocks, and wedges – (3 crates, contents will vary)
16" x 16" plywood base boards (3)
46" Wood footers, 4x4's (3)
9X9 plastic block (3)

Compartment #7:***Rope/Water Rescue Compartment*****Water Rescue bags (2):*****Bag 1***

Type V Life jacket with knife and whistle, (3) yellow, (1) orange
Helmets (3) (2L, 1 XL)
Throw bags, 75' (2)

Bag 2

Dry suits (4); 1 XXL, 2 XL, 1L
Water boots (4pair); 2 size 12, 2 size 13

Rescue lifeline:

300' (1)

150' (2)

75' (3)

Repelling Harness (4) in plastic container

TOTE #1

5' webbing, green, (11)

12' webbing, yellow, (9)

15' webbing, blue, (3)

20' webbing, orange, (13)

Prussic, yellow, (8)

Prussic, black, (10)

TOTE #2

50' utility rope, (2)

Edge protector, (1)

TOTE #3

Small carabineer, (19)

Large carabineer, (13)

TOTE #4

Gibbs ascender, (4)

Rappel Rack, (2)

"8" plate, (5)

TOTE # 5

Pre-rig RPM System

Gathering Plate (1)

Rappel Rack (1)

Large carabineers (5)

12' yellow webbing (1)

Prussic, black (2)

2" pulley (1)

4" Prussic minded pulley (1)

TOTE # 6

2" pulley, (3)

4" pulley, (3)

4" prussic minded pulley

Pickets, steel 1"x48" (6)

Compartment #8:

Air Tool Compartment:

½", 200psi air hose, 150' on an electric hose reel

Grey tool box:

Tire filling chuck

Blowing chuck

Air bags:

Small bag, 12 tons capacity

Medium bag, 17 tons " "

Large bag, 22 tons " "

Red tool box:

Air bag controller

Air bag regulator

Air bag hoses (2-red, 2-yellow, and 2-black)

Orange tool box:

Air chisel with 6 spare blades

Air chisel regulator

Air tool oil

O'Connell plate

Bar to raise cab

Utility chain, 25'

Rescue 42 telecribbing strut equipment:

Long strut (2)

Short strut (2)

Base plates and pins (4)

Straps with ratcheting system, 10,000 lbs capacity (2)

Ratcheting system without straps (2)

Straps, 10,00 lbs. (2)

Various attachments for the A-Frame attachment

Tool Box:

See inventory card inside of toolbox

USAR Tool Chest

Top shelf:

Inverted marking paint, orange (11)
Carpenter pencils (7)
Large felt markers (4)
Marking tape, vinyl (5) *1-pink, 2-orange, 1-yellow, 1-green*
Lumber crayons (6) *4-red, 2-yellow*
Large chalk (4)
Tape measure, 25' (3)
Glow Sticks (32), *8-red, 8-blue, 8-green, 8-orange*

Middle shelf:

7¹/₄" level (3)
Framing square
Tri-square (3)
Sledge hammer, 4# (3)
Framing hammer, 22oz, (2)
Cold Chisel, 8" (2)
Hand saw, 20" (2)
Small hack saw w/blade
Hack Saw w/blade
Hack saw blades, bimetal (11)

Bottom Shelf:

Tool belts (3)
Canvas bucket (2)
16d nail 5# (4)
8d nail 5# (6)
